Copy of Ref. No. 7069/52 P.2. dated 25-6-52 from the Collector of Bellary, to the Secretary to the Commissioner of Civil Supplies Chepauk, Madras.

Sub:--Civil Supplies - Foodgrains - Bellary district - Milo and other foodgrains - Reception and storage on State Reserve - Additional establishment - Sanction of proposals submitted.

A quantity of 800 tons has been received at Bellary, and 600 tons each at Hospet and Adoni respectively. Arrangements have been made for their reception and storage under government management by securing 3 godowns at Bellary and 3 godowns at Adoni. At Hospet the Tahsildar Hospet has reported that he has secured only one godown and that he is in search of 2 more godowns. He has promised to submit a detailed report after securing the number of godowns required.

A detailed report about the number of godowns secured at each centre the rents fixed etc., will be submitted to the Board before the end of this month after obtaining particulars from the respective Tahsildars.

SUPERVISING STAFF:

The sanction of the following posts of supervisory staff at each reception centre is essential in connection with the reception and storage of foodgrains under Government management.

1. 1 Reception Deputy Tahsildar.
2. 1 Godown Keeper.
3. 1 Clearance Inspector.
4. 1 Tally clerk.
5. 2 Peons.
6. 1 watchman for each godown.

The necessity for the sanction of the above posts and the cadre of services from which each of the superior service will have to be drafted is discussed below:-

RECEPTION DEPUTY TAHSILDAR:

For the present a Reception Deputy Tahsildar is working at Bellary looking after the reception and storage of foodgrains. He will be entrusted with the work of reception and storage of foodgrains on State Reserve. The sanction of an additional post for Bellary centre is not needed. The Tahsildars at the other two centres will attend to the reception and storage of grains on Government account till the Reception Deputy Tahsildars are sanctioned.

GODOWN KEEPER:

A godown keeper will be in charge of all the godowns in a centre. He will be responsible for the proper receipt and storage of foodgrains in all the godowns and for their release on proper authority. He shall have to maintain proper accounts in this regard. Considering the onerous duties and heavy responsibilities involved, the appointment of an Upper Division Clerk as godown keeper is considered necessary.

CLEARANCE INSPECTOR:

At present one special Revenue Inspector is working at Bellary for clearing the bags from the wagons as soon as they arrive. The sanction of this post of Bellary centre is not necessary, but is necessary for Adoni and Hospet centre The sanction of a post of Lower Division Clerk to work as Clearance

- He will be responsible for the counting of the number of bags at the time of receipt of wagons at the railway station and at the time of issues from the godowns. He will be an assistant to the godown keeper in the maintenance of accounts etc., The sanction of the post of one lower division clerk at each of the three centres to act as Tally clerk is required.

PEONS:
The sanction of posts of two peons for Adoni and Hospet is required one to work under the clearance Inspector and the other under the godown keeper. The sanction of the post of Bellary centre is not required.

WATCHMAN:
The sanction of the post of a watchman for each godown is considered essential. For the present the posts of 3 watchmen for each of the 3 centres in all 9 watchmen may be sanctioned. Since the Tahsildar, Hospet has not yet reported the number of godowns required for storage at Hospet centre it is requested that general permission may be accorded for the appointments, of as many watchmen as are necessary having in view the number of godowns fixed up (in anticipation of Board's approval). Devadath an ex Cler of the Rationing Office Hospet as special Revenue Inspector (L.D.Clerk) from 16-6-52 to look after the reception and storag of Milo in anticipation of approval. Since there was no specia staff working at Hospet for the reception and storage of foodgr under Government management the necessity felt by the Tahsildar Hospet for the appointment of one clerk to look after this work immediately is reasonable. I request that the action of the Tahsildar may be approved and ratification of Government may be obtained for the post from 16-6-1952.

I request that the sanction of the posts of the staff mentioned above may be obtained at an early date.
